**The Parish of
Hampden Park
and The Hydneye
Prayer Diary**

Name:

Introduction

This prayer diary has been designed to supplement your prayer life and give an additional structure and rhythm to your daily intercessions.

The diary is divided into daily, weekly and monthly prayers. There are prayer points pertaining to the life of our parish in each section and you are strongly encouraged to write in your own as well.

I hope that by praying together a common calendar of intercessions that we might daily hold our parish before God in prayer together.
